

We're happy you found KI Academy, and are looking to help educate your audience and share some of the great content we have taken a decade to put together from Dr. Kovacs and the team at the Kovacs Institute. A great added benefit is that you will get paid while helping to educate your audience. You can help tennis players improve their game by gaining knowledge previously only available to professional, and that's a great gift! Once you register, by adding your custom affiliate link to your website you can earn money for each sale! Who doesn't love extra money?

In order to apply to become an affiliate, you must first be a registered user on Ki Academy (if you are not a paying member you can register on KI Academy for the free membership). To do this, please visit <https://kovacsacademy.com/register/free-membership/> to register on the site. Then after registering, go to the Affiliate Page (<http://kovacsacademy.com/affiliate-home/affiliate-register/>) and apply. When you sign up to become an affiliate, you will see a custom link that you will place on your website or send to customers. Then, any sales coming from that custom link to memberships on KI Academy will earn you a commission of 20% of that sale. Note most of our memberships are monthly, and payments are sent out quarterly. There is a certain minimum threshold you must obtain first in order to be paid out (via Paypal).
